INFORMATION ON DC's"LESSER" HEROS

THE SANDMAN

"In March 1942,Simon and Kirby dynamited the pages of ADVENTURE #72 with explosive action,leaving bomb craters to mark their debut.Three issues earlier the old SANDMAN had doffed his street clothes and gas mask for a pair ofform-fitting yellow and purple tights.In the bargain he picked up a sidekick,Sandy Hawkins.They still hold the same goods;it's the pitch thats diffrent."

AQUAMAN

"In November 1941,Mort Weisinger went 20,000 leagues under the sea to catch DC's version of the Sub-Mariner."Son of a marine scientist who discovered ways of living underwater,AQUAMAN is able to dive to the oceans bottom and span the waters at trendndous speeds."

GREEN ARROW

"Weisinger again with GREEN ARROW AND SPEEDY,created after mystery writer Edgar Wallace's"Green Archer".When criminals threaten,Oliver Queen and Roy Harper donned their green and red and,with the help of their catapult seat car,sprang into action.They loosened shafts in many titles including "WORLD'S FINEST".

ZATARA

"In June 1938,ZATARA,the Master Magician appeared in "ACTION" comics first issue,conjured up by Fred Guardineer.Dashed out in top hat and tails,Zatara was a xerox copy of Mandrake,complete with a Lothar-like assistant,Tong.Fox took over with the second issue and scripted a series of truly bizarre and disturbing adventures inspired by the work of Lovecraft,Quinn and Derleth in"WEIRD TALES"."

WILDCAT

"Inspired by a Green Lantern comic,heavyweight champ,Ted Grant becomes thecostumed crime smasher to clear himself of a fake murder rap."

DR.MID-NITE

"One of his companions in the same book was the blind Dr.Charles McNider whose infra red glasses enabled him to see during the day.At night his eyes surpassed those of a jungle cat,even in th dense blackness of the black-out bombs he hurled as the colorfully dressed DR.MID-NITE."

MR.TERRIFIC

"Child prodegy Terry Sloan was bored with life. he went through college in a year,stacked up a room full of athletic trophies and made a fortune out of everything he touched.For relaxation he became the hooded MR.TERRIFIC.His claim to fame was the insignia on his chest,"Fair Play"."
